

Food Recall

a2 Light Milk (2L)

Date Marking: USE BY 06/06 #41

The a2 Milk Company (Australia) Pty Ltd are conducting a recall of the above product. The product has been available for sale in Retail Outlets in Western Australia.

Problem: Microbial (*Listeria monocytogenes*) contamination.

Food safety hazard: *Listeria monocytogenes* may cause severe illness in pregnant women, unborn babies, neonates, the elderly, and immunocompromised individuals. The general population can also become ill from consuming food contaminated with *Listeria monocytogenes*.

What to do: Consumers should not eat this product. Consumers should return the product(s) to the place of purchase for a full refund. Any consumers concerned about their health should seek medical advice.
